

LOUISIANA DEPARTMENT OF PUBLIC SAFETY OFFICE OF MOTOR VEHICLES

REAL ID/NON-REAL ID

- Both a REAL ID and NON-REAL ID driver's license or identification card will allow you to enter federal facilities that do not require you to present identification (such as a post office), vote or register to vote, apply for or receive Federal or State benefits, to drive (valid driver's licenses only; NOT identification cards), access health or life preserving services (including hospitals and health clinics), law enforcement, or constitutionally protected activities (including a defendant's access to court proceedings), and participate in law enforcement proceedings or investigations.
- Visitors seeking access to military bases and almost all Federal facilities using their state-issued driver's licenses or identification cards must present proper identification issued by REAL ID compliant states or a state that has received an extension. When planning a visit to a Federal facility or military base, visitors should contact the facility to determine what identification will be accepted.
- Starting October 1, 2020, every air traveler will need a REAL ID-compliant license, or another acceptable form of identification, for domestic air travel.
- A REAL ID driver's license or identification card will display a gold circle with a star cutout.
- A NON-REAL ID driver's license or identification card will display "NOT FOR FEDERAL IDENTIFICATION".
- A REAL ID driver's license or identification card does not contain any additional electronic technology.
